

MBExC Lecture

**Deep Visual Proteomics
for spatial cellular and
molecular profiling
with single cell
resolution in tissue**

January 26th, 2023

Speaker

Assoc. Prof. Dr. Andreas Mund

Novo Nordisk Foundation Center for Protein Research
University of Copenhagen

Time

Thursday, 4:00 pm

ZOOM

<https://s.gwdg.de/NGJJNT>

Host

Prof. Dr. Stephan E. Lehnart

University Medical Center Göttingen
