

Hertha Sponer College Lecture

Molecular basis of mitochondrial gene expression

March 14th, 2023

Speaker

Hauke Hillen

RG Structure & Function of Molecular Machines
Dept. Cellular Biochemistry, University Medical Center Göttingen &
Max Planck Institute of Multidisciplinary Sciences

Date/time

Tuesday, 5:00 pm (s.t.)

Location

hybrid format: European Neuroscience Institute (ENI)
ZOOM: <https://s.gwdg.de/EZjmzO>

Hosts

Hertha Sponer College
