

Hertha Sponer College Lecture

**From mechanics to
function: Using a
mechanical fingerprint
to relate mechanics and
biological function**

November 10th, 2026

Speaker

Timo Betz

Third Institute of Physics - Biophysics
University of Göttingen

Date/time

Tuesday, 10th November 2026, 5:00 pm (s.t.)

Location

Lecture Hall at MPI-NAT City Campus
Hermann-Rein-Str. 3

Host

Hertha Sponer College
